

# Coaching to L.E.A.D.

Whether you are leading Diversity Equity & Inclusion for your organization or trying to figure out how DE&I is relevant to you, Leading Culture Solutions can provide the resources to help you build awareness and capacity to deepen relationships, build team, improve collaboration, and create an environment of belonging.

This one-on-one coaching will help you improve your ability to LEAD with empathy that motivates transformational change.

**L**isten – Understand Language, History and Business Case for DE&I

**E**ngage – Build rapport, trust, and participation

**A**djust – Identify your leadership strengths and opportunities to improve

**D**emonstrate – Walk the Talk and own your Leadership Legacy
